## Alliance Compassion Gift Catalogue

Our teams of international workers are ministering among people in over 35 countries in four regions that we refer to as the Silk Road, Caribbean Sun, Desert Sand and Asian Spice. Many work

among the poor and vulnerable where compassion initiatives are an essential part of communicating the gospel. Our compassion work is funded through Approved Special project funds. In this catalogue we have identified specific items that are related to tangible projects that truly impact needy people. We invite you to purchase a gift in honour of someone, or to share the experience as a family, small group or youth group and raise funds for your selected projects.
