

Haiti Earthquake Response

January 2010

The Christian and Missionary Alliance is responding through partnership...

Haiti has been hit with a devastating earthquake and the C&MA in Canada will be participating in relief efforts through our partner Christian Relief and Development agencies.

As we do not have personnel working in Haiti, the Global Ministries office of *Alliance Compassion* is currently in discussion with several partner agencies to identify how we can participate. Currently, like-minded agencies are coming under one umbrella and the personnel are meeting together to determine their collective response. We will be receiving proposals which will detail specific relief initiatives which we will fund.

People can give tax receiptable donations to *The Christian and Missionary Alliance* designated for ***Global Emergency Response Fund—Haiti Earthquake*** through a local Alliance church or directly to the National Ministry Centre, including through our website: www.cmacan.org. Click on the “Donate Now” icon on the home page. Donations to the ***Global Emergency Response Fund-Earthquake*** will be used to assist the victims of this earthquake in Haiti.

Thank you for your prayers and support for the people of Haiti.
