Accessing Secure Webpages

Login Link:

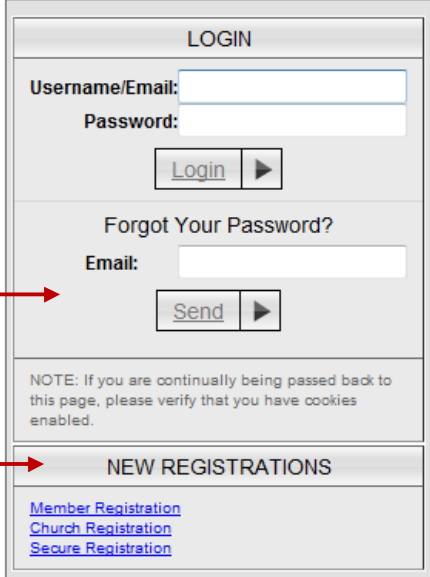

Look for the 'Login' link called [C&MA PERSONNEL - login required](#) at the bottom left hand side of any webpage.

Login Problems?

- Logins are case sensitive, so UPPER and lower case matters.
- Please use 'Forgot Your Password?' option and it will be emailed to you. 
- If that does not work and you are sure you are registered, please send an email request to : communications@cmacan.org

New Registrations For Login Accounts:

- **Official Workers** – Those who are Official Workers of the C&MA in Canada and have not yet registered on the website should use the [Member Registration](#) form link shown at the right. This applies to pastors, chaplains, international workers, and any others who have 'Official Worker' status.
- **Churches** – If your church has not been registered with our website in the past, you should recently have received an email giving you a login username and password for this website. If you are a new church and did not receive a login, please use the [Church Registration](#) form link shown at right.
- **Secure** – Only International Workers in Creative Access Countries should use the [Secure Registration](#) form.
